

# Stroke Learning Resources For Healthcare Staff

"All staff working with stroke SHOULD undertake a continuing programme of specialist training and education"

*Scottish Intercollegiate  
Guidelines Network (SIGN 64)*

## Stroke MCN

### Grampian Stroke Managed Clinical Network (MCN)

The Stroke MCN supports education and training for all staff by hosting and funding stroke courses in Grampian.

[www.nhsgstrokemcn.scot.nhs.uk](http://www.nhsgstrokemcn.scot.nhs.uk)

### Chest, Heart & Stroke Scotland / NHS Grampian Stroke Training

Training is provided across Grampian.  
A variety of training in stroke care is offered.  
All places are free of charge.

For further information contact  
01224 (5)56150 [www.chss.org.uk](http://www.chss.org.uk)

### On-Line Learning

To access on-line learning then visit  
[www.StrokeTraining.org](http://www.StrokeTraining.org)

### Post-Graduate Learning

Contact your local University for information.

View information on the CHSS web page by clicking on the education & training link.

For local contacts in your area for stroke call:

**01224 (5)56150** (CHSS NHS Grampian Stroke Training Co-ordinator)
